PAC CONTRIBUTIONS

Goodbye to the Bottle Auction—A Moment of Silence. A short one.

PAC support, whether for Washington, Oregon, or Idaho, is an **important topic to every member of the NW Collectors Association**. In the preceding years, individual state and combined units have held exciting bottle auctions to raise crucial funds for PAC activities. By “exciting”, we mean initially fun and then tedious and finally mind numbing as we slog through the last ten bottles, heckling the auctioneer.

For 2025, we’re changing it up. Whether you are attending the May conference or not (and we sure hope you are!), support the PAC(s) of your choice to help your leadership and our lobbyists.

In return for your generosity to your region’s Political Action Committee funding, you may choose from a variety of recognition opportunities, which are detailed below. **NWCA will produce a booklet** where you can showcase your company, a loved one, an amazing employee, a deserving team member, or a heartwarming story showcasing the good our industry does for the economy and culture.

See your options below and make your commitment on the registration page!
